British Journal of Hospital Medicine

Index/volume 28

July-December 1982

Compiled by Lynda Bailey BPharm MSc

A

Abdominal aortic aneurysms. J R C Gardham....40
Abnormalities, symptomless, *see* Symptomless abnormalities
Abortion: methods and sequelae. W Savage and I Paterson....364
Accounts, your. P F Hepburn:
Indirect taxation....278
Inland Revenue in-depth investigations....167
Planning for retirement....83, 410
Separate taxation....634
The mortgage market....531
Acute intestinal obstruction in the adult. P G Bevan....258
Corres P L Zentler-Munro....653
Adverse reactions (drugs in pregnancy). C Ellis and J Fidler....575
Alcohol withdrawal symptoms, treatment of. *Corres* D G Mayne....102
M Sillanpää....178
American letter
When doctors disagree. A Brass....238
Corres D Chiswick....549
D Tidmarsh....654
Corres D M Matthews....298
Analysis, tissue fluid. T J Peters....637
Aneurysms, abdominal aortic, J R C Gardham...40
hepatic artery. J F L Shaw....404
Antenatal care, computers in. R J Lilford and T Chard....420
Corres N Palmer....654
care, steroids in. G M Stirrat....357
Aorta, dissection of the. *Corres* R M Pearson; R J Vecht....445
Aortic aneurysms, abdominal. J R C Gardham...40
Approach, orthodox. *Corres* R A Wilkins; C E Mackintosh....101
Arteritis, giant cell. *Corres* R J G Chalmers; M A Casson; G P Mulley....102
R R Lewis; G P Mulley....178
Artery aneurysms, hepatic. J F L Shaw....404
Autumn book review supplement....429

B

Babies, low birth weight, *see* Low birth weight babies (symposium)
Backache, an approach to. G Waddell....187
Corres M C T Morrison....549
Bacterial infections in haematological patients, management of. G Galea....74
Corres S Selwyn; G Galea....446
Bancewicz, J, *see* Stoner, H B et al
Barratt, T M and **Geary, D F.** Steroids in renal disease....349
Bebbington, P and **Kuipers, L.** Social management of schizophrenia....396
Bevan, P G. Acute intestinal obstruction in the adult....258
Bihari, D J and **Tinker, J.** Steroids in intensive care....323
Birth weight, low, babies, *see* Low birth weight babies (symposium)
Blood transfusion, rapid, equipment and methods for. *Corres* B Rosenberg....102
Boobis, A R and **Lewis, P.** Altered pharmacokinetics in pregnancy....566
Book reviews....97, 171, 283, 429, 539, 643
Botez, M I and **Hausser, C O.** Falls....494
Brass, A, *see* American letter
Brooke, O G. Nutrition and feeding of low birth weight babies....462
Brookes, G B and **McKelvie, P.** Carcinoma of the tongue....6
Bryan, M H, *see* **Simpson, R McD** and —
Buisseret, P D. Severe pneumonia. *Corres*....298
Bush, A. Severe pneumonia. *Corres*....298

C

Campbell, A E R. Terminology. *Corres*....653
Carcinoma of the tongue. G B Brookes and P McKelvie....6
see Tumours
Care, hospital, of low birth weight babies. P Dear....470
Casson, M A. Giant cell arteritis. *Corres*....102
Chalmers, R J G. Giant cell arteritis. *Corres*....102
Chamberlain, G. MRCOG Part II....625
Change, negative, induced by psychotherapy. B Gomes-Schwartz....248
Chard, T, *see* **Lilford, R J** and —
Children, respiratory testing in. A D Milner....89
Chiswick, D. American letter. *Corres*....550
Christie, A D and Ivory, C M. Ultrasound in obstetrics. *Corres*....101
Clinical cytopathology. J E Macgregor....620
Coagulation, disseminated intravascular. F E Preston....129
Cohen, J A. MRCP Part II....361
Computers in antenatal care. R J Lilford and T Chard....420
Corres N Palmer....654
Correction
Hyperalimentation. A R W Hatfield....446
Metal-induced diseases of the nervous system. P Le Quesne....654
Screening for hypertension. W E Miall....178
Correspondence....101, 178, 298, 445, 549, 653
Cowen, P N. The solitary pulmonary nodule. *Corres*....549
Crockard, A. The management of head injuries. *Corres*....445
Crompton, G K. Steroids in respiratory disease....340
CSF proteins, electrophoresis of. E J Thompson and M H Johnson....600
Cytopathology, clinical. J E Macgregor....620

D

Dear, P. Hospital care of low birth weight babies....470
Depression, masked. E S Paykel and K R W Norton....151
Dermatology, steroids in. J A Miller and G M Levene....331
Diagnoses not to be missed:
Abdominal aortic aneurysms. J R C Gardham....40
Ectopic pregnancy. C A J Macafee....246
Hepatic artery aneurysms. J F L Shaw....404
Masked depression. E S Paykel and K R W Norton....151
Diplomas, postgraduate, *see* Postgraduate diplomas
Disease, sickle-cell, and pregnancy. S M Tuck....125
Diseases of the nervous system, metal-induced. P M Le Quesne....534
Correction....654
Dissection of the aorta. *Corres* R M Pearson; R J Vecht....445
Disseminated intravascular coagulation. F E Preston....129
Dixon, B, *see* Medicine and the media
Douglas, C P. Preterm and small babies: the obstetric challenge....455
Drugs in pregnancy (symposium):
Adverse reactions. C Ellis and J Fidler....575
Altered pharmacokinetics. A R Boobis and P Lewis....566
Prescribing. H P McEwan....559
Dubowitz, L M S, *see* **Levene, M I** and —
Dunlop, D and **Harvey, J.** The solitary pulmonary nodule....138
Corres....549

E

Ectopic pregnancy. C A J Macafee....246
Electrophoresis of CSF proteins. E J Thompson and M H Johnson....600
Ellis, C and **Fidler, J.** Adverse reactions to drugs in pregnancy....575
Equipment and methods for rapid blood transfusion. *Corres* B Rosenberg....102

F

Falls. M I Botez and C O Hausser....494
Family repercussions of low birth weight babies. M P M Richards....480
Feeding and nutrition of low birth weight babies. O G Brooke....462
Fidler, J, *see* **Ellis, C** and —
Fluid, tissue, analysis. T J Peters....637
Follow-up, long-term, of low birth weight babies. M I Levene and L M S Dubowitz....487
Forsyth, J S. Hyperalimentation. *Corres*....653
Fractures. J B King:
Introduction and general principles....417
The upper limb — 1....506
The upper limb — 2....609
Frayn, N, *see* Stoner, H B et al

G

Galea, G. Management of bacterial infections in haematological patients....74
Corres....446
Gardham, J R C. Abdominal aortic aneurysms..40
Gas systems, piped medical, an appraisal of. J S Robinson....160
Geary, D F, *see* **Barratt, T M** and —
Giant cell arteritis. *Corres* R J G Chalmers; M A Casson; G P Mulley....102
R R Lewis; G P Mulley....178
Gomes-Schwartz, B. Negative change induced by psychotherapy....248
Goodwin, F J. Hypercalcaemia....50
Griffith, I P. Tumours of the nasopharynx....32

H

Haematological patients, management of bacterial infections in. G Galea....74
Corres S Selwyn; G Galea....446
Harding, N G L. Microcomputers in medicine: an interactive program generator....519
Harvey, J. Severe pneumonia. *Corres*....102, 298
see **Dunlop, D** and —
Hatfield, A R W. Hyperalimentation....220
Correction....446
Corres....550
Hausser, C O, *see* **Botez, I M** and —
Head injuries, the management of. *Corres* K S H Wise; A Crockard....445
tumours of the, *see* Tumours of the head
Hepatic artery aneurysms. J F L Shaw....404
Hepburn, P F, *see* Accounts, your
Hospital care of low birth weight babies. P Dear....470
Hyperalimentation. A R W Hatfield....220
Correction....446
Corres E S Jones; A R W Hatfield....550
Corres H B Stoner et al; J S Forsyth....653
Hypercalcaemia. F J Goodwin....50

I

Infarction, right ventricular. *Corres* C G B Simpson ... 298
Infections, bacterial, in haematological patients, management of. G Galea ... 74
Injuries, maxillofacial. J D Langdon and A D Rapidis ... 589
Intensive care, steroids in. D J Bihari and J Tinker ... 323
Interactive program generator: microcomputers in medicine. N G L Harding ... 519
Intestinal obstruction, acute, in the adult. P G Bevan ... 258
Corres P L Zentler-Munro ... 653
Intravascular coagulation, disseminated. F E Preston ... 129
Irving, M H, *see* Stoner, H B et al
Ivory, C M, *see* Christie, A D and —

J

Jaundiced patient, investigation of the. T W Warnes ... 385
Corres M Rolfe; T Warnes ... 654
Johnson, M H, *see* **Thompson, E J** and —
Jones, E S. Hyperalimentation. *Corres* ... 550

K

King, J B, *see* Fractures
Kuipers, L, *see* **Bebbington, P** and —

L

Langdon, J D and **Rapidis, A D.** Maxillofacial injuries ... 589
Legionnaires' disease. J A Pang and S G Spiro ... 85
Le Quesne, P M. Metal-induced diseases of the nervous system ... 534
Correction ... 654
Levene, G M, *see* **Miller, J A** and —
Levene, M I and **Dubowitz, L M S.** Long-term follow-up of low birth weight babies ... 487
